Family Statement of Commitment

Philosophy-

"Motivated by a Christ-centered vision of humanity and human history, our school promotes the formation of the whole person. Such formation embraces not only intellectual, but also physical, emotional, moral, and spiritual dimensions of human growth. Intellect, emotions, creative ability, and cultural heritage have a place in the life of the school. Human knowledge and skills are recognized as precious in themselves but find their deepest meaning in God's plan for creation." From PHILOSOPHY OF EDUCATION FOR CATHOLIC SCHOOLS IN THE PROVINCE OF BC by Catholic Bishops of BC.

Partners (home, school, parish) in Catholic education must work together to provide an environment where faith and learning go hand in hand in leading young people to be the best they can be.

The following statements support the goals and philosophy of our Catholic school and need to be accepted and support by all members of the community. Read them carefully. They ask you to make a commitment to the values and ideals of our school community. If you have any question or concerns regarding this commitment, please bring them to the principal or school pastor who will gladly discuss them with you.

By returning the signed statement with your completed application, you accept the responsibility of this commitment.

- Parents and guardians agree that they and their children will respect Catholic denominational standards as contained in the Catechism of the Catholic Church.
- All students are required to participate in our religious education curricular and co-curricular programs including liturgical celebrations, retreats, prayer, etc.
- Parents/Guardians are expected to support the religious education program and participate in it as required.
- Regular school attendance and full participation in all aspects of the academic program of the school are required of every student. Each student is expected to strive toward the development of his / her full academic potential.
- Each family is expected to support and participate in the fund-raising activities of the parish/school. This means each family shares in the responsibility of educating our children.

- Each student is expected to know and follow school policies on behaviour.
- Parents/Guardians are expected to know and support school policy and procedures.
- Parents/Guardians agree to accept the responsibility for the cost of tuition, supplies, and other school activities.
- Parents/Guardians must attend an interview with the Principal and Pastor prior to the student being accepted into St. Ann's School.

If any of these conditions are not met the school reserves the right to refuse admission or remove the student from the school.

Oath of Confidentiality for Volunteers

St. Ann's School is blessed with many community members who graciously give of their time and talents in service to our staff and students. To conform with employee/student rights to privacy, each volunteer is asked to complete and sign a pledge of confidentiality.

I do solemnly swear as a volunteer at St. Ann's School to hold in strictest confidence all matters that occur in the setting of the classroom, library, office, etc.

I have read and understand the above expectations and commitments and I hereby accept them as stated.

Both parent/guardian signatures are required, unless there is a court order giving one parent full custodial rights.

SAQ Discipline Policy

The goal of the SAQ Discipline Policy is to provide a safe and cooperative environment under which the students can grow to Christian maturity and complete self-discipline. Whenever possible, restorative justice practices will be used to help students repair any harm that they may have caused, whether intentionally or inadvertently. Restorative justice practices are non-adversarial and provide those involved with the opportunity to learn about the consequences of their actions and to make appropriate amends. All staff are familiar with restorative justice practices including the use of restorative language, classroom groups, mediation, and forums. Use of any of these practices requires that students accept responsibility for their actions and are willing to work together to come up with appropriate consequences. All minor infractions will be initially dealt with using restorative practices. Individual classrooms will have their own rules and procedures that are based on and connected to our discipline policy, but are tailored to specific class needs.

Minor Infractions include:

- not following school rules
- misuse of playground equipment
- rough or unsafe behavior
- vulgar language
- fooling around in the building
- derogatory comments and gestures/put downs towards others
 - taunting and teasing
 - disruptive behavior
 - disrespect/ rudeness towards or arguing with staff.

Consequences for minor infractions will be jointly determined by all those involved and will focus on making restitution for the infraction (i.e. natural consequences that help to fix what was broken and/or make things better). These mutually agreed upon consequences may include:

- scheduled times for the student(s) to help in/around the school (during what would otherwise be free time)
- time-limited loss of privilege
- time out in a supervised area
- detention at school (parents will be notified of any after school detention prior to it being served)
- other appropriate consequences

In situations where students choose not to take part in restorative practices, the teacher and/or supervisor and/or principal will decide on consequences (i.e. the ways that restitution might be made).

The first Minor Infractions Report (mIR) may be completed, and a copy sent, at the discretion of the supervisor, to the parents, teacher, and office. Second and third mIR's will be sent home.

***Three minor infractions within two weeks will add up to a major offense.**

Major Offenses include:

- use of drugs or alcohol or weapons
- theft or dishonesty
- gross insubordination or willful disobedience or defiance
- verbal abuse including gestures
- intentional physical violence
- irresponsible actions causing bodily harm (e.g. spitting & biting)
- truancy and leaving the school grounds without permission
- vandalism
- three minor infractions within a 2-week period

A Major Offense Discipline Report (MOR) is completed for each major offense. Major offenses are recorded from September to June and accumulate during the school year.

Consequences for major offenses are as follows:

1. First incident:

After the first offense, the student is reported immediately to the Principal who meets with the student and contacts the parents. The student is sent home for the remainder of the day. Prior to the student's return to school, there will be a meeting with the student, parent(s) and Principal to create an action plan, which may include a restorative justice forum. This forum will determine appropriate consequences for making restitution and suggestions for what will happen if a second offense occurs. If the student is not willing to participate in a forum, consequences will be at the discretion of the school staff and may include up to five days of at-school detentions. All students who are disciplined for a first offense will receive the warning that a second major offense may result in a suspension.

2. Second incident:

The second time the student is reported for a major offense, the parents will be called to take the student home and the student may be suspended for three days. While suspended, the student may not participate in any school events. Prior to returning to school there will be a meeting with the student, parent and Principal to create an action plan, which may again include a restorative justice forum. This forum will determine appropriate consequences for making restitution and will include a consideration of those recommendations that arose from the first forum. If the student is not willing to participate in a forum, consequences will be at the discretion of the school staff and may include up to five days' loss of free time and/or five days of at-school detentions. All students who are disciplined for a second offense will receive the warning that a third major offense may result in an expulsion.

3. Third incident:

A third offense may result in expulsion where parents will be called to take the student home and a meeting will take place with the student, parent and Principal. Expulsion means that the student will be removed from the school permanently; they may be appealed to the School Council.

In extraordinarily serious situations, the Principal may summarily suspend a student and parents will be notified to pick up the child at the school. Prior to returning to school there will be a meeting with the student, parent and Principal to create an action plan. Appropriate consequences will follow.

Bus Expectations

Please note that after dismissal, all bus students must go promptly to the bus. Students must stay seated, facing forward; keep hands, feet, objects to themselves; talk quietly & courteously; keep the aisle clear; NO EATING/DRINKING; no skateboards/hockey sticks/skis/poles/toboggans/large musical instruments or items deemed unsafe by the driver; skates must have approved guards; all items allowed on the bus must fit on the rider's lap/under the seat; all personal items stay in the backpack.

Failure to follow these rules can result in the student being suspended from traveling on the bus.

I have read and acknowledge the above Discipline Policy of St. Ann's Catholic School.
